

The diagram illustrates a 2D array structure, likely representing a memory layout or a data grid. The array is divided into four quadrants, each labeled with a number (1 or 2) and a subscript (1 or 2). The array is labeled 'array' on the left and 'array' on the right. The array is labeled 'array' on the left and 'array' on the right.

- ******  ****** 
 -  L  $_L=3_$ 
 -  I ()  $_L=3_ I=1$
- 
-  $_L=3_ I=2$
